AT THE FAIR

Take full advantage of your SUNY College Fair experience.

- Have your registration barcode scanned! This is your way of personally checking in with a campus and allows them to easily get back in touch with you.
- Be prepared to ask questions and take notes! You can find a list of sample questions on the back of this page.
- Attend a presentation! Learn about both the SUNY System and your financial aid options.

AFTER THE FAIR

- Organize the information you received at the fair and compare notes. Plan to visit the top three campuses on your list. You can find a complete list of campus visit opportunities at suny.edu/visit.

SAMPLE COLLEGE FAIR QUESTIONS

Try asking questions about information that you cannot easily obtain on the college website.

- Are there any specific deadlines I need to be aware of in the admission or scholarship process?
- Are there specific admission requirements for my preferred major?
- What score do I need on an AP exam in order to receive college credit?
- How would I make my class schedule my first year?
- About how many students would be in each of my classes?
- What internships have students done in my area of study?
- What resources are available to students to help them find a job after graduation?
- Can you tell me about the town/city where the campus is located?
- What do you like best about [college name]?
- Do most students live on campus or commute?
- What is it like to live on campus? How are residence halls and roommates assigned?
- What are the most popular clubs and activities on campus?
- If I have questions about your school after today, who can I contact?
